Subject: RE: Leddy Park Soil Storage - Burlington

Yes, thanks for telling us the latest on this and other VT issues and projects – much appreciated.

Best,
Haley

Per our discussion today, please find both EPA and VTDEC information below.

I also spoke with Trish regarding the stockpiling. Trish will be following up with the City to ensure appropriate controls are maintained until the piles can be removed for disposal.

Should you have any further questions, please feel free to contact us.
